### Outline

I. Thesis: The budget cut on UCR causes serious problems for the university's scholarship system and the sustainability of its branches and precincts.

II. T.S: UCR's scholarship program is endangered by the budget cut because of how it proposes to diminish the money directed to scholarships in general.

a. The budget cut proposes to diminish the amount of money directed to student scholarships.

1. PAC's congress people propose that UCR's scholarships need to be reformed and limited.

2. If this were to happen, many students would not be able to study anymore.

b. Over sixty percent of UCR's students depend on their scholarships.

1. specific example

2. another example or consequence

3. Transition sentence

III. T.S: UCR's branches and precincts are composed in a vast majority of students who depend on their scholarships and thus the budget cut would leave them without a chance to earn their degrees.
